KAZOKU

TEPPANYAKI

Preparing and enjoying foods on a grill is something that can tighten the highly treasured and unspoken bond between relatives, a culture that families do in Japan throughout generations.

Some may not realize, but for many, it is the moment of unity.

Beautiful like a goddess,
yet meaningful like a root culture,
is the mesmerizing Chrysanthemum flower.
Bright and vibrant,
it brings the symbol of perfection,
longevity, nobility, trust and respect.

May there be
the spirit of Chrysanthemum
in every family.
